

Accessibility Statement

West Coast Components Pty Ltd is committed to ensuring our website is accessible to the widest possible audience, regardless of ability or technology.

We aim to provide a website experience that is inclusive and usable for all visitors and seek to align our website with generally recognised accessibility standards, including the Web Content Accessibility Guidelines (WCAG) 2.1, where reasonably practicable.

Accessibility Features

We endeavour to:

- design content that is clear and readable;
- maintain logical navigation and consistent layout;
- ensure compatibility with commonly used browsers and assistive technologies;
- provide alternative text for images where appropriate.

Ongoing Improvements

Accessibility is an ongoing process. We continually review our website and make improvements where reasonable to enhance accessibility and usability.

Limitations

Some content or functionality may not yet fully meet accessibility standards due to technical limitations or third-party integrations. We appreciate your understanding as we work to improve accessibility over time.

Contact & Feedback

If you experience difficulty accessing any part of our website or have suggestions for improvement, please contact us and we will make reasonable efforts to assist you.
